NSS Unit Code:	9021608
Title of the Event:	Blood Donation Camp
Event Start Date:	07/01/2022
Event End Date:	07/01/2022
Description:	<p>Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. For a safe blood service in our country, where comprehensive laboratory tests are neither possible nor pragmatic, it is best to switch over to 100% voluntary donations, as it is now established that only voluntary non-remunerated regular donation is the safest. Thus, one of our key strategies to enhance blood safety is to focus on motivating non-remunerated blood donors and phasing out even replacement donors. On this theme our college students and Faculty has participated in blood donation program organized by Andhra Hospitals, Vijayawada.</p>

Description:	<p>The main objective of this program is to create a healthier society by popularizing preventive measures. This awareness program mainly concentrated on various issues of health and hygiene. The only way to provide palliative care to a huge number of people in need in India is through community participation, which can be achieved by improving the awareness of the people about palliative care. All the NSS Volunteers actively interacted with the Nandivada village people.</p>

Description:	<p>We organized Say No To Plastic Program in Nandivada involving NSS Volunteers to give awareness on use of plastic is harmful to nature and the plastic cannot be decomposed. Hence the discarded plastic will keep piling up on the earth's surface. Even though plastic can be advantageous to us, they also are a disadvantage to our existence. One disadvantage of plastic is that it is non-biodegradable. The theme of this program is to give awareness on use of plastic is harmful to nature and the plastic cannot be decomposed. Hence the discarded plastic will keep piling up on the earth's surface.</p>

Description:	<p>Today, sports are essential for students' overall growth and development. Playing various sports helps them teach life skills such as teamwork, leadership, accountability, patience, and self-confidence and prepares them to face life challenges. Students get a chance to work on their physical and mental abilities to achieve goals in their life. We can realize the importance of sports in our daily life through a variety of national and international sports events organized all over the world where different players represent their countries and showcase their sporting capabilities. Additionally, the learning of a student starts from the primary level and sports help students develop a strong mental and physical foundation from an early age. Our college NSS Volunteers have conducted different sports to the school children and awarded prizes to the children by conducting valedictory function at Z.P.H.S, Nandivada.</p>

Title of the Event:	A Legal Literacy camp on Drug& Abuse
Event Start Date:	26-03-2022
Event End Date:	26-03-2022
Description:	<p>V.K.R, V.N.B & A.G.K College of Engineering has organized Drug Awareness Camp among students under Legal Literacy Camp with an object to spread awareness about drug abuse among youth. Drug Abuse is a serious public health problem that affects almost every community and family. The camp was held on 26-3-2022, by Sri. N. Satyanandam (D.S.P of Gudivada), Sri. A. Purnima (Senior Civil Judge), Sri. Kishore (Junior Civil Judge), Sri. Indira Devi (Superintendent of Govt. Hospital), Sri. Samudra Veni (I.C.D.S Project officer), Sri. Govinda Rajulu (One town C.I, Gudivada)</p> <p>They covered all the legal aspects dealing with the problem of drug abuse and their effect on youth. Drug Abuse plays a role in many major social problems, such as drugged driving, violence, stress, and child abuse. Drug abuse can lead to homelessness, crime, and missed work or problems with keeping a job. The idea is to encourage them to talk about drug abuse and dispel all myths.</p> <p>Drug Abuse is a menace and students should be able to understand this, said by Chief Guests. At the end, Principal sir addressed the students and said apart from the legal aspects; students will be educated about their fundamental duties. They will also make aware about various medical facilities available in cases of drug abuse and whom they can consult.</p>

Program Report

NSS Unit Code:	9021608
Title of the Event:	Say No To Electrical Hazards
Event Start Date:	19/07 /2022
Event End Date:	19/07/2022
Description:	Electrical accidents can cause burns, shocks and electrocution, and without the proper electrical safety can lead to fatal accidents in a worst case scenario. Approximately 230 electrical related fatalities occur each year. Electricity is everywhere, so reliable and useful these days that it is often taken for granted, and it is somewhat shocking how little is actually understood about its properties by the general public, another reason why electrical safety training is important. How fatal electrical accidents typically occur in the high-risk workforce, is when an aerial lift or boom, or scaffolding set up, results in the unexpected connection with a power line, creating a circuit. This program helps the people in Nandivada village to get awareness regarding hazards and prevention methods.
